Consolations and

Record a video with one consolation and one desolation from the past week. A consolation is a "high point" in your week, a good thing that happened, and desolation is a "low point," a not-so-good thing that happened. By posting a video and watching others' videos, we can check in with one another as a community, and see the many graces and challenges of this new situation.

The image shows a mobile phone screen displaying the Kahoot! interface. At the top, it shows the PIN "808417" and "1 of 5". Below this is a 2x2 grid of colored buttons with white symbols: a red button with a triangle, a blue button with a diamond, a yellow button with a circle, and a green button with a square. At the bottom, the name "Ellen" is displayed next to a score of "0".

Earth Day Online Scavenger Hunt

Earth Day is a day set aside to celebrate the plants, animals, oceans, and landscapes that make our planet so special. It's also a day to support efforts to protect these natural resources. Earth Day is celebrated in April 22.

Learn more about Earth Day with this online Scavenger Hunt. For each question, click the link to explore the information on the page. You'll have to read carefully on each web page to find the answer, and you may have to scroll down on the page to locate it. Then, record your answers.
